

Wednesday Soup & Study: The Psalms of Lent

Let's get together for fellowship and learning this Lent. Please feel free to come to one or both activities on Wednesdays March 1, 8, 15, 22, 29

6 – 7PM SOUP

We need 2 soup makers each Wednesday – please sign up in Fields Hall, or communicate with the parish office if you can make soup.

7 – 8PM BIBLE STUDY

Together, we'll look more closely at the psalm from the prior Sunday, and how God might be speaking to us through it.

March 1 - Psalm 32

March 8 - Psalm 121

March 15 - Psalm 95

March 22 - Psalm 23

March 29 - Psalm 130

“A human heart is like a ship on a wild sea, driven by storm winds from the four corners of the world. Here it is struck with fear and worry about coming disaster; there comes grief and sorrow because of present evil. Here it floats on hope and anticipated good fortune; there blows confidence and joy in present blessings. What is the greatest thing in the Psalter but this earnest speaking amid such storm winds of every kind?” – Martin Luther
